

REQUIREMENTS PROFILE

For land for commercial property project development

REAL ESTATE DEVELOPMENT

CORPUS SIREO Real Estate develops commercial property across all stages of the value chain: from purchasing the land and project planning to construction to selling the completed property and supporting our customers during the warranty period. Competence from a single source guarantees the highest possible degree of responsibility and maximum expertise for the entire project.

For our project developments, we are looking for land/properties that meet the following criteria:

CRITERIA

Usage types

- Office, hotel, retail, light industrial, logistics
- Commercial and residential (mixed use)

Location

- Top 7 locations
- Metropolitan areas of Cologne/Bonn and Düsseldorf
- Metropolitan area of Frankfurt am Main with the Rhine-Main region
- Medium-sized cities with strong growth, such as Bonn, Leipzig, Dresden, Hanover, Nuremberg
- Preferably in city centres and well-connected peripheral locations and/or office centres/commercial sites
- Urban, established areas with existing infrastructure

Project volumes

- In the event of an existing anchor tenant: from EUR 30 million to EUR 300 million
- In the event of purchase without existing lease agreements: up to max. EUR 200 million

Condition

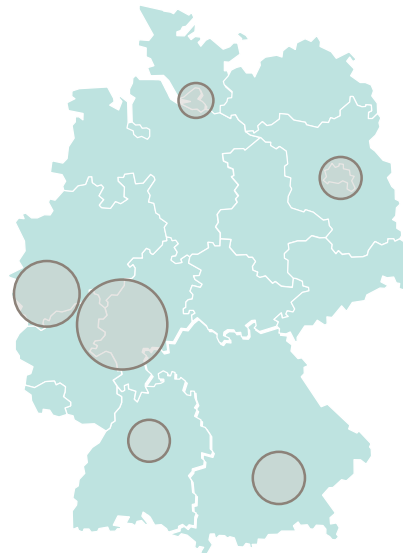

- Undeveloped or developed land
- Land with or without planning rights
- Buildings with repurposing potential
- Already planned properties
- Empty or leased with expiring lease agreements or lease agreements that can be dissolved at short notice

If you can offer a suitable property, we'd be delighted to hear from you.

"We have a detailed knowledge of the market, the trends of tomorrow and the wishes of our customers. We are building on this foundation."

Anett Barsch | Geschäftsführerin
